SUBJECT: Advertising with Advantage Healthcare

Want another way to keep your company's name in front of people? How about if your company was only a "click" away and if the fee for this service was only \$240.00/year? This works out to be just \$20/month!

Advantage is offering all [Amerinet](#) and Advantage contracted vendors an opportunity to advertise on our website by publishing a "link" to your company. Under a tab entitled "Vendor Focus" on our homepage, Advantage will publish your logo with a brief statement about the products you represent and will link your logo to your company's home page.

Advantage currently has 226 parent facilities along with 366 satellite facilities with over 1700 total members. All of our members are encouraged to make our website their homepage and many do! Advantage Healthcare Net serves North Dakota, South Dakota, Minnesota, and a small portion of Montana. We have been the strategic marketing affiliate for Amerinet since 1997.

Your link will remain on our website for one year and Advantage will make sure it is active for that time period. Each link will have a start date of January 1 and will run through December 31 of each year. You will be given the opportunity to renew/cancel at that time. Upon completion of your completed application, an email will be sent to our members notifying them of a new "Vendor Link" on our homepage.

A sample Vendor Link would look like this:

[Advantage Healthcare Net](#) is an affiliate organization of Amerinet which is the nation's largest Group Purchasing Organization claiming over 15,000 members.

Please remember this is an opportunity we offer Advantage/Amerinet contracted vendors only. If in the course of the year, your company ceases to be an Advantage or Amerinet contracted vendor, your information will be removed from our website.

If your company is interested in having a link on the Advantage homepage, please complete the below information. Upon completion, please email jdaws@advhn.com or fax to 701-772-0984.
